

GETTING TO KNOW YOU AGAIN.....

Name: Dennis Page

Home: 11977 Waterford Lane, Carmel, IN 46033

Email address:

Dream home location: We have a second home on lake Maxinkuckee, in Culver, In.

Interests: Gardening, Sailing, Power boating and water color painting.

Favorite Drive In: Don't have one, prefer a good sit down meal.

Favorite smell: The wind, over the water, after a rain.

Favorite sound: Listening to the birds at sunrise.

What would you change about yourself: Their are many things that I would have done differently. Life is quite good right now. Living each day at a time, works for me.

What surprised you 50 years after graduation: Living 44 years with one wife and still being in love with her. Four sons and four daughters in law, who have good marriages. All graduated from Purdue University. We have 12 grandchildren, six boys and

six girls. Ranging from 15 years to two years in age.
Life does not get much better.

What would you have liked to have invented:
Energy, which does not require the use of fossil fuel.
