

GETTING TO KNOW YOU AGAIN.....

Name: Sylvia (Young) Shrauger

Home: 6152 Longbridge Rd, Pentwater, MI 49449

Email address:

Dream home location: The place we live now.

Interests: piano, reading, politics, jogging, swimming, walking the beach, etc., and I'm trying to learn Spanish. I'm in a book discussion group, which I enjoy, and I'm on the Boards of Directors of our local women's shelter, and of our local "humane society." Also, we're members of our local peace group. I just retired (for the 3rd time!) in June -and, so far, I'm enjoying it!.

Favorite Drive In: Totem Pole.

Favorite smell: Flowers, rain.

Favorite sound: Waves, birds, singing, music.

What would you change about yourself: I'd like to feel more confident, look younger and thinner, be more loving, kind, sensitive, etc. But, really, I'm pretty content with who I am and where I am, and with my life right now.

What surprised you 50 years after graduation: How fast the time has gone! And, that I still feel good and that I have something to offer, even at this advanced age!

What would you have liked to have invented: A method to ensure world peace.
